Subject: Revise Sediment Control Methods, Wellington Prep Plant, Price River Terminal, LLC, C/007/0012, Task ID #4707

Dear Mr. Collins:

The Division of Oil, Gas and Mining (the Division) has completed its review of the proposed revision to the sediment control measures at the Wellington Prep Plant. Conditional approval has been granted. Final approval will be granted when the following conditions have been met:

- 1) Provide 2 clean-copies of the amendment.
- 2) Provide drawings DWG F9-177 (1 of 2) and DWG F9-177 (2 of 2). The two drawings were provided with the initial revision submitted on October 9th, 2014 (Task ID #4656).

Please provide the clean-copies and figures by November 18, 2014. If you have any questions, please feel free to contact Daron Haddock (801) 538-5325 or myself (801) 538-5350.

Sincerely,

Steve Christensen
Permit Supervisor
